We Love Kids!

We are thrilled that you are here in worship with us and that you brought your children. In the Spirit of Jesus welcoming the children to come to Him, we want you to know that children are welcome in the sanctuary throughout the worship service.

We invite them to come up during children's time and there, they will receive an activity bag to use during the rest of the service. There is also a rocking chair in the narthex and another in the north transept if needed.

We also provide a nursery in our education area for children; ask an usher for directions to the nursery.

Words of Meditation

"Someone once said that failure need not be fatal. Without a doubt this is true as are we not grateful? At the same time, many have failed to live to their potential and promise in life and experienced deep regrets as a result. We consider just such a person this morning and perhaps we may benefit from that experience as we also deal with failure."
